AN INSPIRED **NEW HOME**

Explore what makes this
collection so unique

We're dedicated to designing and building homes with character that people are proud to live in. Inspired by the past but designed for the future, this collection offers the best of both worlds.

WHAT MAKES THIS COLLECTION SO UNIQUE?

Our aim has always been to build homes of the highest quality, reflecting the craftsmanship and details associated with the Arts and Crafts movement. It's this combined with the modern, high end interiors we pride ourselves on that makes this award winning collection so enviable.

Every inch of our homes has been carefully considered, from features such as traditional porches supported by timber posts with gallows brackets to brick plinths that run around the property. These features add grandeur and depth to the front of the home and provide anchoring effect.

SPEND MORE TIME **TOGETHER**

There is a mouthwatering array of world cuisine on offer at restaurants in Congleton town centre. From the stylish Reubens, 26 Bar & DV8 and Grill to a choice of Indian, Italian, Chinese and traditional British, there are plenty of options for a night out socialising and relaxing with friends and family.

Drink in the stunning Cheshire scenery while tucking into a hearty meal one of many country pubs in the area, including The Church House Inn across the River Dane, or The Plough Inn a short drive along the A536. There is also a good selection of fine dining restaurants nearby, with Pecks Restaurant, offering high end modern British cuisine, just 3.3 miles away.

Congleton High Street, which is served by paid for parking close by and free parking on the edge of town, is a hub for pubs, bars, restaurants and streets filled with a good mix of independent retailers offering deli and café services, music, fashion and chain stores including Argos and Morrisons.

ENJOY A HEALTHY **LIFESTYLE**

Whether you enjoy getting active at the gym, going for walks and playing golf or appreciating fine art and theatre, Congleton enjoys an enviable mix of pastimes to suit most tastes. Astbury Golf Club 3.7 miles away where you can revel in the challenging course and afterwards rest in the clubhouse. Congleton Leisure Centre in the centre of town ups the ante on activity with a good range of gym facilities, exercise classes, a pool, team sport and sauna.

For independent education, Terra Nova School in nearby Holmes Chapel takes pupils from three to 13, while The King's School in Macclesfield welcomes three to 18 year olds.

OUR REQUIREMENTS AS HOME-BUILDERS

The New Homes Quality Code: Statement of Principles

This **Statement of Principles** (the core principles) sets out the main principles which registered developers agree to follow to benefit their customers.

1. FAIRNESS

Treat customers fairly throughout the buying and after-sales process.

2. SAFETY

Carry out and complete work in line with all regulations and requirements that apply to the new home, as set out by the Government, and have the necessary certificates from an appropriately approved body to show they have done this.

3. QUALITY

Complete all work to a high standard in line with all building and other standards and regulations that apply, as well as to the specification for the new home, and make sure that completion does not take place until the new home is complete (see section 2 of this code).

4. SERVICE

Have in place systems, processes and staff training to meet the customer service requirements of the code, and not use high-pressure selling techniques to influence a customer's decision to buy a new home.

5. RESPONSIVENESS

Have in place a reliable after-sales service and effective complaints procedure to make sure responses to customer queries are clear, thorough and provided in good time.

6. TRANSPARENCY

Provide clear and accurate information about buying the new home, including tenure and any costs the customer may have to pay in the future, such as ground rents and service charges.

7. INDEPENDENCE

Make sure that customers know they should appoint independent legal advisers when buying a new home and that they have the right to ask for an independent pre-completion inspection before completion takes place.

8. INCLUSIVITY

Take steps to identify and provide appropriate support to vulnerable customers and make sure the code is available to all customers, including in appropriate formats and languages.

9. SECURITY

Make sure there are reasonable financial arrangements in place, through insurance or otherwise, to meet all their obligations under the code, including repaying deposits when they are due and any financial awards made by the New Homes Ombudsman Service.

10. COMPLIANCE

Meet the requirements of the code and the New Homes Ombudsman Service.
