*Subject to stage of construction. Specification may vary. Detailed plans and specification are available for inspection for each plot at our Sales Centre during working hours and customers must check their individual specification prior to making a reservation. The Seller may find it necessary to change some of the materials to be used in the construction of the dwelling. The Seller will not do so unless the materials have become unobtainable or cannot be obtained within a reasonable time or because the seller has found materials of a better quality. If the Seller substitutes materials: (i) they will be of similar appearance to and at least equal to or better quality than those being replaced; and (ii) they will not reduce the market value of the Property.
