BETTER BY DESIGN

Imagine how much better life would be, with a little more thought and a lot more space. Waking up in a home full of unique character where everything feels carefully considered inside and out. A place where you can relax, think, breathe, work and play in beautifully designed spaces. With Redrow, it's the level of care we bring, that makes all the difference.

BETTER PLACES

Picture yourself in a peaceful setting where nature is just a short walk away. Where there's a feeling of tranquility as you enjoy a new, relaxed lifestyle, away from the hustle and bustle. A place where there's a sense of community, of living life at your own pace amongst beautiful street scenes and green open spaces where neighbours and dog walkers meet. That's what sets your new neighbourhood apart.

BETTER EXPERIENCES

There's a better way to move home and it's with Redrow. It starts with managing your appointments and completing your reservation online. From there, you'll get to know your home and neighbours with a home preview and welcome party.

AN INSPIRED **NEW HOME**

Explore what makes this
collection so unique

We're dedicated to designing and building homes with character that people are proud to live in. Inspired by the past but designed for the future, this collection offers the best of both worlds.

WHAT MAKES THIS COLLECTION SO UNIQUE?

Our aim has always been to build homes of the highest quality, reflecting the craftsmanship and details associated with the Arts and Crafts movement. It's this combined with the modern, high end interiors we pride ourselves on that makes this award winning collection so enviable.

Every inch of our homes has been carefully considered, from features such as traditional porches supported by timber posts with gallows brackets to brick plinths that run around the property. These features add grandeur and depth to the front of the home and provide anchoring effect.

ENJOY THE AREA

Sawston's bustling high street is home to an array of amenities, from the post office and pharmacy to the newsagents, butchers and greengrocers. There's also a Co-Op supermarket and two convenience stores in town, and a fantastic collection of big brand and independent shops in nearby Cambridge. Or if it's a quiet pint or a delicious meal out that take your fancy, enjoy a cosy drink at The King's Head or The White Lion, Chinese delicacies at Jade Fountain or a delicious curry at Kaz's Indian & Bangladeshi Restaurant.

ENJOY AN ACTIVE **LIFESTYLE**

Those seeking activity, fun and fitness will have myriad options here, whatever the weather. With so much picturesque countryside on your doorstep, there will be plenty of open green spaces to explore, including the spectacular Wandlebury Country Park, set on the Gog Magog Hills and offering miles of walks through woodland and wildlife meadows. Linton Zoo, meanwhile, has a large community of animals to meet, including big cats, lemurs, giant tortoises and kangaroos. On a rainy day, Sawston Sports Centre has a gym, swimming pool and sports hall. Alternatively, the American Air Museum in Duxford features the largest collection of American military aircraft on display outside the US, and is well worth a visit.

OPPORTUNITIES FOR LEARNING

Parents will be pleased to find a wide selection of schools nearby for youngsters of all ages. The Bellbird and Icknield primaries are both located in the village and within walking distance of the development. Sawston Village College, the first community and village college in the country, and the Sunday Times State 11-16 Secondary School of the Year for 2025, is also close by.

GETTING AROUND

Tudor Meadow's well-considered location means travel will always be straightforward here, whether you prefer road or rail. The A1307 Babraham Road will take you to Cambridge in around 20 minutes, while junction 10 of the M11 motorway is moments away, for journeys to Central London in around 1 hour and 40 minutes. You can also pick up the A11 and A14 trunk roads for Bury St Edmunds, Ipswich and the Suffolk coast.

For those who like to take the train, Shelford station is less than 10 minutes away in the car and offers services to Cambridge (7 minutes), Bishops Stortford (35 minutes) and London Liverpool Street in approximately 1 hour and 20 minutes.

WE PUT MORE IN

At Redrow we work hard to contribute to the existing facilities and create new ones, to dovetail our development into the local community. Below are some of the community benefits installed at **Tudor Meadow**.

OUR REQUIREMENTS AS HOME-BUILDERS

The New Homes Quality Code: Statement of Principles

This **Statement of Principles** (the core principles) sets out the main principles which registered developers agree to follow to benefit their customers.

1. FAIRNESS

Treat customers fairly throughout the buying and after-sales process.

2. SAFETY

Carry out and complete work in line with all regulations and requirements that apply to the new home, as set out by the Government, and have the necessary certificates from an appropriately approved body to show they have done this.

3. QUALITY

Complete all work to a high standard in line with all building and other standards and regulations that apply, as well as to the specification for the new home, and make sure that completion does not take place until the new home is complete (see section 2 of this code).

4. SERVICE

Have in place systems, processes and staff training to meet the customer service requirements of the code, and not use high-pressure selling techniques to influence a customer's decision to buy a new home.

5. RESPONSIVENESS

Have in place a reliable after-sales service and effective complaints procedure to make sure responses to customer queries are clear, thorough and provided in good time.

6. TRANSPARENCY

Provide clear and accurate information about buying the new home, including tenure and any costs the customer may have to pay in the future, such as ground rents and service charges.

7. INDEPENDENCE

Make sure that customers know they should appoint independent legal advisers when buying a new home and that they have the right to ask for an independent pre-completion inspection before completion takes place.

8. INCLUSIVITY

Take steps to identify and provide appropriate support to vulnerable customers and make sure the code is available to all customers, including in appropriate formats and languages.

9. SECURITY

Make sure there are reasonable financial arrangements in place, through insurance or otherwise, to meet all their obligations under the code, including repaying deposits when they are due and any financial awards made by the New Homes Ombudsman Service.

10. COMPLIANCE

Meet the requirements of the code and the New Homes Ombudsman Service.
