WELCOME TO YOUR FIRST SAXON SQUARE NEWSLETTER

As your move-in date grows closer, we're delighted to report that progress is continuing swiftly at Saxon Square.

Laurence Court is on schedule to be finished first, in spring 2019 – not long to go now!

Laurence and Wilson Court are currently undergoing external works, and all the windows should be installed by Christmas. If you could peek inside, you'd see the construction team are working on the first mechanical and electrical elements in the communal areas.
